TECHNICAL DATA SHEET

ProSolve Pipe Clamp (PVPCLAMP)

DESCRIPTION

The ProSolve Pipe Clamp is a heavy-duty piece of equipment for stopping PVC pipes from excessive movement when cutting and chamfering.

It is made from heavy-duty steel plate and powder coated for durability. It securely clamps 110mm and 160mm PVC pipes and is very easy for a tradesman to use on their own.

PRODUCT FEATURES

- Heavy duty steel construction for stability
- Powder-coated for durability
- Suitable 110mm and 160mm PVC pipes
- Quick and easy to use

IMPORTANT NOTICE

All statements, technical information and recommendations are based on tests we believe to be reliable as at the date of hereof, but the accuracy or completeness thereof is not guaranteed. Please ensure before using the product that it is suitable for your intended use. Since the conditions and methods of use of the product and of the information referred to herein are beyond our control, other than for fraudulent misrepresentation, ProSolve expressly disclaims any and all liability as to any results obtained or arising from any use of the product or reliance on such information.

BEFORE USE, CONSULT THE SAFETY DATA SHEET OF THE PRODUCT.
