ProSolve Beaded Hand Cleaner - Technical Data Sheet

Product Code: PVHC500

Pack Size: 500ml

Product Description

ProSolve Beaded Hand Cleaner is a heavy duty hand cleaner designed for use in industrial and commercial washrooms where a powerful hand cleaner is required. The orange beaded gel formulation helps loosen and remove general soiling from hands, while the citrus orange fragrance gives a fresh, clean finish after use.

Applications

• Industrial washrooms

• Commercial washrooms

• Workshops

• Construction environments

• Engineering and maintenance areas

• General hand cleaning where a more powerful cleaner is required

Features & Benefits

• Heavy duty beaded gel hand cleaner

• Designed to loosen and remove soiling from hands

• Orange citrus fragrance

• Neutral pH formulation

• Fully miscible in water

• Suitable for industrial and commercial washroom use

• 500ml pack size for easy dispensing and general workplace use

Directions for Use

Do not wet hands before use. Apply the gel directly to dry hands and rub together well to loosen soiling. Rinse thoroughly with clean water and dry well. For best results, apply ProSolve Barrier Cream before commencing work where appropriate.
