TLCH1100	Chrome Table Leg – 1100mm	1100mm	60mm	0.7mm

CARE

Cleaning should be done with a damp soft cloth using only a mild cleaning agent. Due to the special finish of the legs anything harsher may affect the look of the item.

Disinfectants and bleaches, as well as chloride-containing liquids and salt, are unsuitable for cleaning, as these cleaning agents can get under the finish, making them duller and could lead to rusting. Likewise, scourers must not be used.

IMPORTANT NOTICE

All statements, technical information and recommendations are based on tests we believe to be reliable as at the date of hereof, but the accuracy or completeness thereof is not guaranteed. Please ensure before using the product that it is suitable for your intended use. Since the conditions and methods of use of the product and of the information referred to herein are beyond our control, other than for fraudulent misrepresentation, ProSolve expressly disclaims any and all liability as to any results obtained or arising from any use of the product or reliance on such information.

BEFORE USE, CONSULT THE SAFETY DATA SHEET OF THE PRODUCT.
